

Classroom Volunteer Interest Survey

All volunteers will need to complete a volunteer form as well as have a TB test before volunteering in the classroom. Forms are available at warneravenueelementary.com or <https://volunteerapp.lausd.net>. Volunteers must wear their volunteer badges and sign in and out in the office on time. Volunteers are not to assist on the playground.

Volunteers must also be willing to follow LAUSD's Volunteer Policy (Bulletin 5678.1):

The purpose of the LAUSD School Volunteer Program is to enhance student achievement by engaging and leveraging the rich talents and expertise of our local school communities.

School volunteers:

- Reinforce classroom learning by assisting teachers in classrooms with non-instructional tasks
- Support school personnel in the effective operation of schools
- Promote positive partnerships between the home, schools and the community
- Serve as positive role models for students by helping students develop a more positive attitude about themselves, schools and communities.

Separate sign-up sheets will be posted periodically throughout the year for special events. Please complete and return the bottom portion of this form if you would like to help out on a more regular basis and are able to comply with these guidelines.

Thanks,
Mrs. Polay
